ICEE Trade Show Participation June 2008

ICEE will be displaying a variety of profiles that have been produced using our Waterjet at the Seawork Exhibition 2008.

At stand S38 visitors will be able to view first hand the variety and quality of the profiling that can be achieved with our Waterjet.

To register visit: www.seawork.com

Registration is free with free parking at the exhibition.

We hope to see you there!
