

**ICEE will be displaying a various range of enclosures and associated equipment at Infrarail 2008**

**at the NEC, Birmingham 11<sup>th</sup> – 13<sup>th</sup> March 2008**

**ICEE's stand is Stand 463 in Hall 9.**

The quality, versatility and variety of ICEE's bespoke equipment enclosures can be viewed first hand at the exhibition, and any questions about particular requirements can be answered by our knowledgeable staff who will be at the show.

For further details about the show, or to pre-register to attend this free event (you do not have to pre-register to attend, but will save you a few minutes at the show) please go to:

**<http://www.infrarail.com>**

If you require further information about ICEE's products and services please go to:

<http://www.icee.co.uk>

We look forward to meeting you there.
